Anita

People tend to generalise about individuals from Eastern Europe. Regardless of whether said person is from Slovenia, Poland, Slovakia, Czech Republic, and so on, they are simply dismissed as 'Eastern Europeans', and stereotyped by many as 'nicking our jobs' and 'only wanting a bloody green card'. But that's silly talk, and to not recognise individual nationalities is to miss out on some very interesting country-specific quirks. For example, the Polish smile a lot because they're generally thinking about the cartoon character 'Golomki' who has a cabbage for a head, and Estonians smell sweet because they rub honey into their ear lobes. Bosnians, on the other hand, like to tie-dye their socks. Anita Pearl here is from Hungary, where everyone carries a cheese grater for good luck.

Sandy

Inevitably, a shoot in a forest is always going to stimulate conversation about 'King of the Survivalists' Ray Mears. After all, this is the man who you could drop into virtually any woodland environment on the planet – without any supplies what-so-ever – and in half-an-hour or so he'd be fed, watered and warming himself next to a blazing fire, serenading the local wildlife on his trademark hand-carved clarinet. What we didn't count on was Sandy rather angrily interrupting our idle chatter between shots with her own opinions on the popular TV forager. "Ray Mears is a cheat. A worthless fraud!" she hissed, her perky boobs jiggling around with the force of her passionate tirade. "On one of his programmes, I saw a can of spaghetti hoops poking out of the top of his satchel, and another time he definitely had a Curly Wurly in the pocket of his khaki shorts. Or was it a Chomp… Anyway, you don't get as big as he is from eating worms and plants." A fair point, we said, before returning to the shoot.

Shawna

If you can tear your eyes away from her gorgeous body for a moment, you might notice that US porn babe Shawna Lenee has a mysterious symbol tattooed on her right foot. “It’s the sign of The Secret Pornstars’ Society,” she told us after the shoot. “I shouldn’t really tell you this, because it’s secret.” So what goes on in this underground society, we asked. “Just what you’d expect, really. We have these dwarves that bring us champagne and Mini Cheddars, and if they don’t work quickly enough we prod them with sticks of celery,” Shawna revealed. “And then there’s the animals. The other week we had Sasha Grey riding around on a yak and Jasmin Tame chasing her on the donkey, Simon. It was outrageous, but don’t tell anyone. It’s very hush hush.” Oops. **JG**

Lenka

Dressed up like some kind of sexy waiter, in that smart jacket and sparkly bow tie, when Lenka turned up on set we were hoping she'd treat us to the finest silver service, offering us tea and scones, cucumber sandwiches with the crusts cut off, and the very lightest of fairy cakes. Sadly, though, as Lenka pointed out, it was only an outfit we'd given her to wear, and if we thought she was going to wait on us all day long, then we were sorely bloody mistaken. Well, how rude! So, seeing that the mardy blonde babe wasn't going to play ball, all we could do was take some pictures of her stripping out of her clothes, then tuck into the jam sarnies our mums had made us. And we didn't share them with Lenka, either. Well, she's only got herself to blame! **JG**

When Romanian beauty Lucy Belle was struggling to scrape together a living as a bit part actress on the notoriously difficult Hollywood movie circuit, little did she realise that she would ultimately become a star, albeit in some rather more revealing roles. “I was ‘Pedestrian No.4’ in Dude, Where’s My Car 3, ‘Giant Onion Handing Out Leaflets’ in the Swiss version of Mighty Ducks, and I played a ‘Nest of Occasional Tables’ in the Turkish export edition of I, Robot,” Lucy said, at a shoot that we didn’t attend. “Maybe I was on the cusp of greatness,” she continued, “but when I was overlooked for the role of ‘Woman Having Seizure’ in Godzilla, I decided to get into adult instead.” **JG**

I used to work as a sales assistant, but I got fed up as I wanted to do something more interesting, so I got a job in a bar, where I've been working for the past six months. Working behind a bar is much more exciting and fun, plus I've made lots of new friends – and men – so my social life is way better than it was.

In fact, I met my current boyfriend there. His name is Zach and he's in a band with three of his mates, and they play a regular gig here once a month on a Friday night. I fancied Zach the first time I saw him, and he obviously felt the same, as our first shag was the very same evening!

It was quite late on a busy Friday night, between the band's sets. I took my usual break, nipping out the back door to the pub's dark courtyard for a sneaky cigarette, when I spotted a figure standing in the shadows. Zach appeared enough for me to see it was him, then sunk back again. I decided to go over and join him. The bar manager, Phil, had briefly introduced us earlier and I'd watched the band perform over the evening, but we hadn't had a chance to talk.

He grinned as I leant against the wall next to him, lighting my fag, and made small talk. I couldn't help but notice how ridiculously sexy he was. His long dark hair hanging down over his face, blue eyes piercing through and his tight, fit body. He caught me eyeing him up and stopped talking. I suddenly felt uncomfortable, like I'd done the wrong thing, until he stubbed out his cig, and moved so that he was standing in front of me. "I may have read the signals wrong, but…" he began, but didn't get any

further as we both moved in for a snog at the same time.

The chemistry felt electric – neither of us said a word as our hands desperately groped the other's body. Within seconds Zach's hand was up my black skirt and my knickers were around my ankles almost as fast. We kept snogging desperately, my hands under his top, feeling the ripped body I was admiring on stage only an hour before, as his fingers explored my swollen, wet pussy lips and throbbing hard clit.

I started panting, and laying my head against his shoulder, I closed my eyes as his fingers worked expertly on my pussy. My clitoris was throbbing as he tweaked it expertly, at the same time sliding a finger inside my vagina and making me thrust against his hand. Rocking his fingers back and forth, and in and out, he pressed them against the walls of my pussy, urging my G-spot into action.

My first orgasm came hard, rippling through me and forcing me back against the wall with my back arching as I gasped for breath. Leaving me close to sobbing with excitement as my pussy contracted and my clit pulsed

Zach dropped his jeans and boxers and moved between my thighs, pushing them apart with his knees. I was well lubricated from his fingers and as his cock nuzzled against my pussy lips I felt them slide easily apart.

I spread my fingers wide and held onto each of his buttocks, pulling him forward. Zach's arms locked around my back as he rubbed his length up and over my pussy, caressing the wet folds and stimulating my throbbing clit. It was almost too much for me to bear and I demanded that he stop teasing and just fuck me! Burying my face in his neck, I kissed and nuzzled him. His hand slid down between us, his knuckles brushing my clit as I felt his smooth cock-head pressing harder against my labia.

Zach moved his hand back up as I wriggled on his cock, trying to make him push inside me. He kissed me, his fingers and tongue slipping into my mouth, licking, sucking and kissing all at the same time. Then, settling his hand on the back of my neck, he thrust forward, pushing his hard, thick cock deep into my pussy.

Heaving his hips back, he pulled his cock out so that the helmet was only just inside me. Pausing as he felt me stiffen, he waited until I started to beg him again before he thrust in again, this time pushing hard and fast and pushing in all the way to his balls.

My hands tightened around his buttocks as I gripped each cheek hard, holding him inside me. Zach began to work his hips now, pumping and shunting his big cock in and out and increasing the power and depth with each stroke. My pussy muscles gripped and squeezed around his shaft and I felt my orgasm begin deep in my belly, familiar and welcome.

My pussy pulsed in a slow rhythm and I almost came again, but Zach controlled the pace, rocking back and forth with small tight movements. He kept me on the edge for a while, really drawing out the pleasure, before fucking me hard and deep.

Unable to hold back any longer, I started to come as I felt his balls tighten, preparing to shoot his load. My pussy spasmed as I suddenly came, moaning with ecstasy as his thick, thrusting cock just kept driving into me.

With one final thrust, he shot his load, bathing the inside of my pussy with his hot spunk, making us both shake as pleasure pulsed through us. We stayed locked together in a tight embrace as we recovered, only stirring as we heard Zach's mates tuning up for the next set.

He quickly tidied himself up and, after quickly kissing me on the lips, Zach dashed off to join the rest of the band on stage. I took my time sorting myself out and heading back to the bar to work. By the time I got there, Zach and his band were halfway through their first song. I couldn't help but smile to myself – if only the crowd knew!

Zach and I have been seeing each other for six months now, and plan to move in together. I always make sure I'm at his gigs, as I know exactly what he's like while 'taking a break between sets' now. And yes, we make sure we repeat our first 'performance' as often as we can!

A group of my friends took me on holiday to a Scottish castle. I'm more of a sand and sunshine kind of girl and wasn't particularly looking forward to it and although they loved it, to be honest I hated all the spooky dark corridors, the flickering shadows and the creaky doors and windows. But I appreciated them looking after me as my boyfriend had just dumped me for a busty underwear model and I needed a bit of pampering. Sleeping alone, I really grew to hate the things that went 'bump' in the night. However, by the end of holiday I wasn't sleeping alone and I was one of the things going 'bump'.

Now I have a confession; Part of the reason that I got dumped was that when I went on the holiday I was still technically a virgin. I'd had a few near-misses and it wasn't through want of trying but at nearly 21 years of age, no man had taken my cherry. To be honest, I found it all rather embarrassing and I admit that I lied to anyone who asked. Being pretty and popular, it's always proved an easy lie to carry-off. Thankfully, after this first night of passion, I won't be forced to lie again.

Somehow, the truth had slipped out. "What … never?" Kirsty exclaimed, "but how? I mean what about … what's his face, Craig? He was crowing about how good you were for weeks."

"Let's just say that he misfired before take-off. Every … single … time."

"Wow. I mean, really wow," Kirsty muttered to herself and I made her promise that she wouldn't tell a soul.

I could tell by the look on her boyfriend's face the next morning that she'd told him. Andy did his best, but he's a man and I could almost read his salacious thought processes about me as we chatted over breakfast. From Kirsty's 'healthy glow' I could tell that they'd started the day with a quick romp, the lucky pair. However, I was shocked when I pulled Kirsty to one side and accused her of betraying my trust. She told me that she'd been thinking about me since my confession and had made her boyfriend pretend that he was shagging me, taking my cherry, before coming down to breakfast.

"I didn't tell him about your secret," she told me, "but I did tell him that I'd like to see him shag you – which is the truth. If you want to use my boyfriend's cock to take your cherry, I'd love to watch." Somehow, I found myself apologising to her. Well, Andy and Kirsty weren't the only ones fantasising about me having sex that day; I couldn't concentrate on anything else and came to the exciting conclusion that taking-up Kirsty's offer was the easiest way to get that elusive first notch on my bedpost. By the time I found myself knocking softly on their

door that night, wearing only a white cotton dressing gown, I was more horny than I'd ever been, and desperate for my sexual initiation.

Kirsty answered the door in an almost identical gown. "I was hoping it'd be you," she said with a genuine smile. "He's in the shower, so I guess we'll just have to start without him." She closed the door and dropped her gown, revealing her naked body. I wasn't as surprised as I thought I might be, even when she turned and undid the belt on my gown and slipped it back over my shoulders, letting it fall next to her own. My friend's eyes roamed up and down my body, lingering on my tits and pussy. I had to fight the instinct to preserve my modesty by clasping my hands behind my back.

"Hmmm, very nice," she purred. "I've got an idea," she added as she padded over to the bed. "Perhaps we could pretend we're having sex – for when he gets out of the shower."

There was some giggly discussion over the best position to be found in and we ended-up with Kirsty face down between my spread legs as I lay on the bed. I could feel her breath on my most private region as she knelt on knees and elbows and I was getting highly aroused by her just being down 'there'. Then I did something really naughty: hooking my heel behind Kirsty's head, I pulled her face onto my crotch and held it there. For a few glorious seconds, my friend's mouth was touching my pussy, sliding up and down as she tried to escape. It had meant to be a joke but it felt so good, and I only released her when Andy appeared from the bathroom.

"Hey!" Kirsty spluttered with a pouty little expression, her lips and chin shiny with my juices. "If you wanted me to lick you, you could've just asked!" I looked up at her boyfriend before answering.

"I'm asking," I replied shyly and with a dirty smile and a little theatricality, she began licking me on purpose. I could feel soft lips and firm swirling tongue repeatedly playing over the sensitive inner parts of my pussy, circling round my clit before prodding down into my vulva with unexpected enthusiasm. I had a feeling that it wasn't the first time this expert tongue had explored a woman's parts. My arousal had been at the thought of my first proper fuck but now my pussy was throbbing to my first lesbian encounter. Something slipped into my virgin pussy, two fingers judging by the gentle stretching and I gasped in pleasure even before they curled up inside me and touched on

"I looked down to see his shaft pull out from my womanly depths…"

something sensationally sensitive. As her mouth pressed into me rhythmically, it all became too much for me.

"Oh fuck!" I exclaimed, as Kirsty raked her hot, wet tongue across my clitoris once again, "I'm going to come!" I lost control as a dizzying series of spasms gave me the most powerful orgasm of my life.

"Mmmm," Kirsty purred, releasing my throbbing flesh, "I think it's time for you to get shagged." She slid out of the way and Andy moved over me. His cock looked to be perfect for the job – big without being threatening. Of course, only Kirsty and I realised the full significance as the tip of his swollen member nudged between my labia and touched the entrance of my virgin hole. There was a rapidly rising hunger and eager anticipation building in my pelvic area. It was actually going to happen this time. I yearned to be impaled. He pressed in and my pussy yielded. There was no pain, only pleasure and the delicious warm throbbing sensation spread up through my body and ended-up as a long satisfied sigh. I looked down to where our bodies met in time to see his shaft pull out from my womanly depths, shining with my juices. I let out a soft girly gasp of erotic ecstasy as it drove back in again and again and with each following stroke, but I was soon grunting and groaning as the pace increased.

"I'm going to come," Andy warned and I felt an enormous surge of excitement at those words. I was about to cross another threshold to becoming a woman. Without giving me chance to object, he sank deeply inside me and I felt his cock twitching and jerking as he sprayed his cream into my waiting pussy. I could hardly breathe and as my mellow high broke into a series of powerful spasms, I fell into another orgasm. I was shell-shocked and breathlessly satisfied but eager for more and used my mouth and fingers on both of them long into the night before sleeping soundly, coiled between their contrasting bodies. By morning, I was high on life and fairly skipped back to my room where I showered, reluctantly washing away the stickiness of my marathon sex session and dressed for breakfast.

Several diners commented on my 'rosy glow' and said that the country air was obviously doing me good. As Kirsty brushed against me and pressed her room key into my hand, I had a feeling that my 'rosy glow' was only going to intensify as the week wore on.

It's not often that I am swept off my feet and have earth-shattering love made to me by a tall handsome stranger, but this is exactly what happened to me last weekend after I was stood up by my supposed boyfriend Paul.

Paul and I had arranged to meet in a fancy hotel lounge. Excited by the prospect of a romantic evening, I'd bought a sexy little black cocktail dress and some very revealing black lacy lingerie including a garter belt and stockings.

For the first half hour I waited patiently, enjoying the admiring looks I was getting from the male clientele. After a while, though, I began to feel angry and hurt and texted Paul urgently to see what was up. I got no reply. By this time I had turned down a few offers of drinks from good-looking guys on the pull, and was visibly upset. It must have been obvious to everyone that I had been stood up.

I was about to leave when I was approached by a tall, sympathetic guy who touched me on the arm with a beautifully manicured hand and asked me if I would like to share a bottle of champagne. I was so fucked off by Paul at this stage and this guy was so totally fit that I smiled and accepted almost without thinking about it. He ordered champagne and two glasses and we looked around for a quiet place where we could get to know one another.

Martin was a business man who was staying in the hotel. We shared the bubbly, me toasting Paul's absence and just generally trying to chill out. After a couple of glasses I began to relax, and my anger at being stood up lessened as I looked my new friend over speculatively.

He was certainly very appealing, and judging by the bulge in the front of his trousers, well hung, which certainly aroused my interest.

Martin must have returned my interest, because he dropped a casual hand on my leg, and, caressing my thigh, invited me to his room upstairs in the hotel. I was pissed off at Paul and the buzz from the champagne heightened my libido. In fact, at that point any reserve I might normally have felt just went out the window. Martin grabbed

the bottle and we picked up our glasses and headed to his room.

When we got there we headed straight for the bed, and having placed our glasses carefully on the bedside tables we rolled onto the covers together. It was fun undressing one another, touching and exploring, as we untangled our bodies from our clothes. His hands massaged my breasts as I tickled his balls and stroked his large cock. It was a pretty impressive size, with a large bulbous head which became darker as his excitement grew.

I bent down to lick the pre-come which seeped from his cock-head, and while I was down there I slid his shaft between my lips and began sucking him. As my head bobbed on his thick rigid shaft he ran his fingers through my hair and I gagged slightly as his cock hit the back of my throat. I sucked him deeply, making him moan as I cupped his balls, teasing him until he almost blew his load.

Gently but firmly he pulled me off his cock, and rolling me onto my back he began to take his turn going down on me. I loved the way his tongue licked and prodded my tingling pussy lips before sliding over my clit and making me shiver with delight as I felt my orgasm approach. Using his fingertips he parted my labia, then slid his tongue inside my pussy and began to tongue-fuck me. Delicious sensations throbbed through my cunt as he made me come again and again.

I was basking in the afterglow of my orgasms when he surprised me by moving his tongue from my pussy to my anus. Gently yet firmly he licked and prodded my anal ring until he actually pushed his tongue inside my sphincter. I gasped and wriggled, making him laugh. He asked me if I had ever been touched there before. I told him I had some experience but had never had anal sex.

Assuring me that I was in for a treat, he repositioned me on my hands and knees and began to finger my bumhole while licking my pussy. It felt so good that I soon relaxed, allowing him to slide his finger fully inside me while using his other hand to play with my clit. Very soon my pussy was soaking and he was able to slide his cock inside me. Thrusting deep he fucked me, using short stabbing strokes at first, then longer harder ones, until I was at the brink of orgasm again.

I wriggled wildly, bumping back onto his cock, until I felt the first flow of pussy juice trickle down his shaft, coating his balls as I came. I closed my eyes and waited as each wave of orgasm rippled through me while my pussy spasmed and clamped around his cock.

Then, in one swift fluid movement he withdrew his shaft, barely pausing before nudging his cock-head against my anus. It was not unexpected but I felt a little nervous as he grasped my hips and inched his length slowly inside my arse. I managed to relax and enjoy it as his cock went deeper, and because he played with my clit at the same time I started to come again. This time the result was far more powerful and as Martin began to plunge his cock furiously I felt my orgasm growing towards a shattering climax. Abruptly, I felt Martin stiffen and then he shot his load inside, filling me.

I'd never come so often in one night and I'm afraid it probably won't happen too often again!

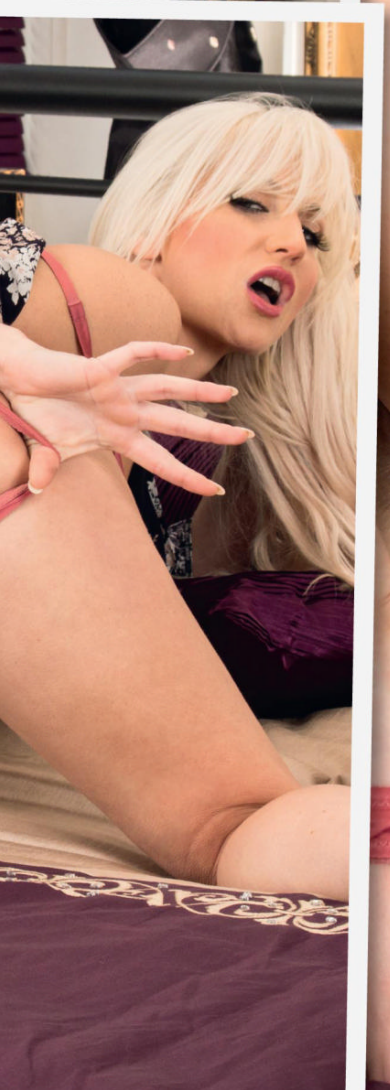
Jennifer



North London lovely Jennifer Jade is the sort of girl who knows exactly what she wants in a man, so be warned – if you're thinking of applying for the post of her fella you'd better fulfil certain criteria! "That's right," she confirms. "It's not so much a physical type, although I like my men to be a good bit taller than me (I'm 5'7" – so no short arses, please!) and have a nice strong pair of arms that can hold me tight. Most importantly, though, he's got to have a stamina! I've been with too many blokes who think that fucking a girl for two minutes before rolling over and going to sleep is enough, but let me tell you, guys – it isn't! Hmm, well that's all well and good, but we can't help thinking that given the chance, a lot of guys would struggle to hold out for 20 seconds, let alone two minutes with you! "OK, I understand that, but in that case they'd better be ready for seconds… and thirds!" Reckon you could keep up? It'd certainly be fun to try and find out! **JG**

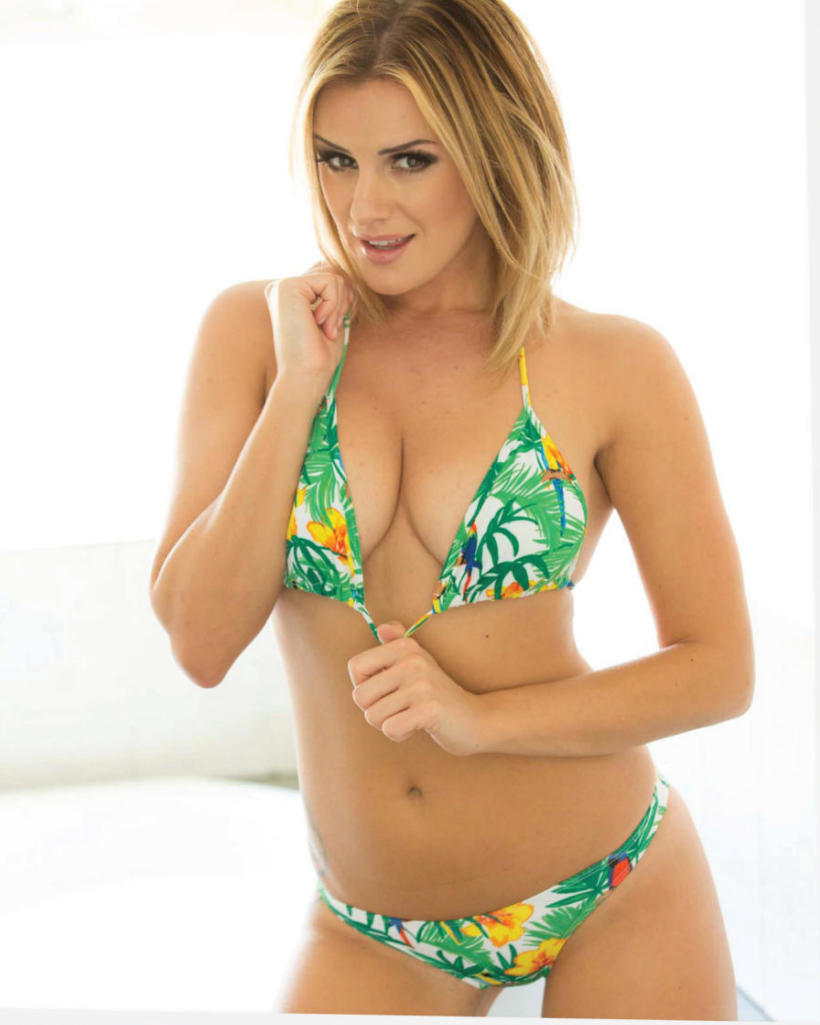
Amy



Oooh, it's been rather a while since we last managed to entice delectable Yorkshire honey Amy Green down for a shoot, so we were pretty made up when we were finally able to track her down and book her in last month. So what's she been up to since our paths last crossed? "Well, as you might have noticed, I've had a bit more work done on my tattoo, which is coming along nicely!" Tattoo? What tattoo? Oh yes, there it is! Sorry Amy, but when you're in the same room as us, there seem to be so many parts of you that demand our attention that the right hip tends to come fairly low down in the pecking order! "Hmm, yes, my boyfriend didn't notice it for about three weeks, either!" Well we can't really blame him – not with the fantastic views he gets to enjoy on a nightly basis! **JG**

JUST GIRLS READER'S GIRLFRIEND

Fancy a Reader's Girl slot? Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Just Girls Magazines, 20 Lyon Road, Hersham, Surrey. KT12 3PU. If you've got the *Just Girls* look you'll get a top photo shoot and £250 too!

NAME: Vikki **AGE:** 20
FAVOURITE SEX: Lezzing Off
WHAT'S SHE LIKE? A stylish lesbian who we're trying to turn!

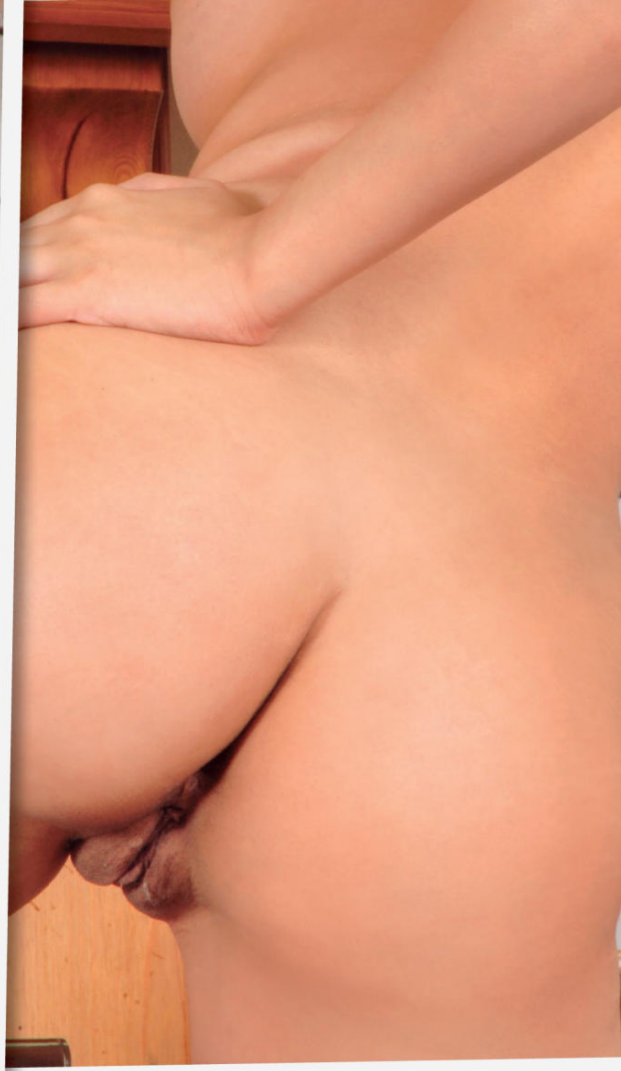
WHY DID YOU WANT TO APPEAR IN JUST GIRLS?
I've been buying it for a couple of years ever since I discovered my sexuality. You have the best girls for me to wank over!

AH, SO YOU'RE A LESBIAN?
I am, 100%. Well, I say 100%, but a girlfriend and I did recently share a cock, and it was nice. But I've mostly had girlfriends for the last year or two.

WHAT'S THE APPEAL? Well, you tell me! You're men, you like pussies, don't you? I just love a nice shaven pussy, and I like to lower my shaven pussy onto a girl's face as well.

YES, YOU ARE VERY SHAVEN!
Yup, I go over it every single day. It's almost permanently tingling, which is nice. I can feel so much more when it's like this. But don't get me wrong, I'm not a hair fascist – I'll stick my tongue into a hairy pussy as well!

GOOD TO HEAR IT. SO, ANY INTEREST IN BALLS AT ALL?
I do like men, but only if they're happy to share me with another girl – although I don't think that'd be a big ask for you lot!



AGA

Nicole

Pint-sized Nicole might not stop you getting a good view of a film if she was sitting in front of you, but if she was sitting next to you you might struggle to catch what's going on in the movie, because it turns out nothing gives her the horn more than sitting in the dark surrounded by a load of strangers…

"That's true enough!" she giggles. "It might be that the very first time I sucked a guy's cock was in at the movies, but nowadays whenever I go and watch a film I'm far more interested in my date than I am in the movie itself! I few months ago a guy I was going out with took me to a late night 3D screening of Titanic. I'd never seen it before, and when we were coming out of the cinema I asked him how come it hadn't sunk. Well, of course it had sunk, but I guess I went down quicker!" Hmm, you sure sound like the perfect date to us here at Just Girls. **JG**

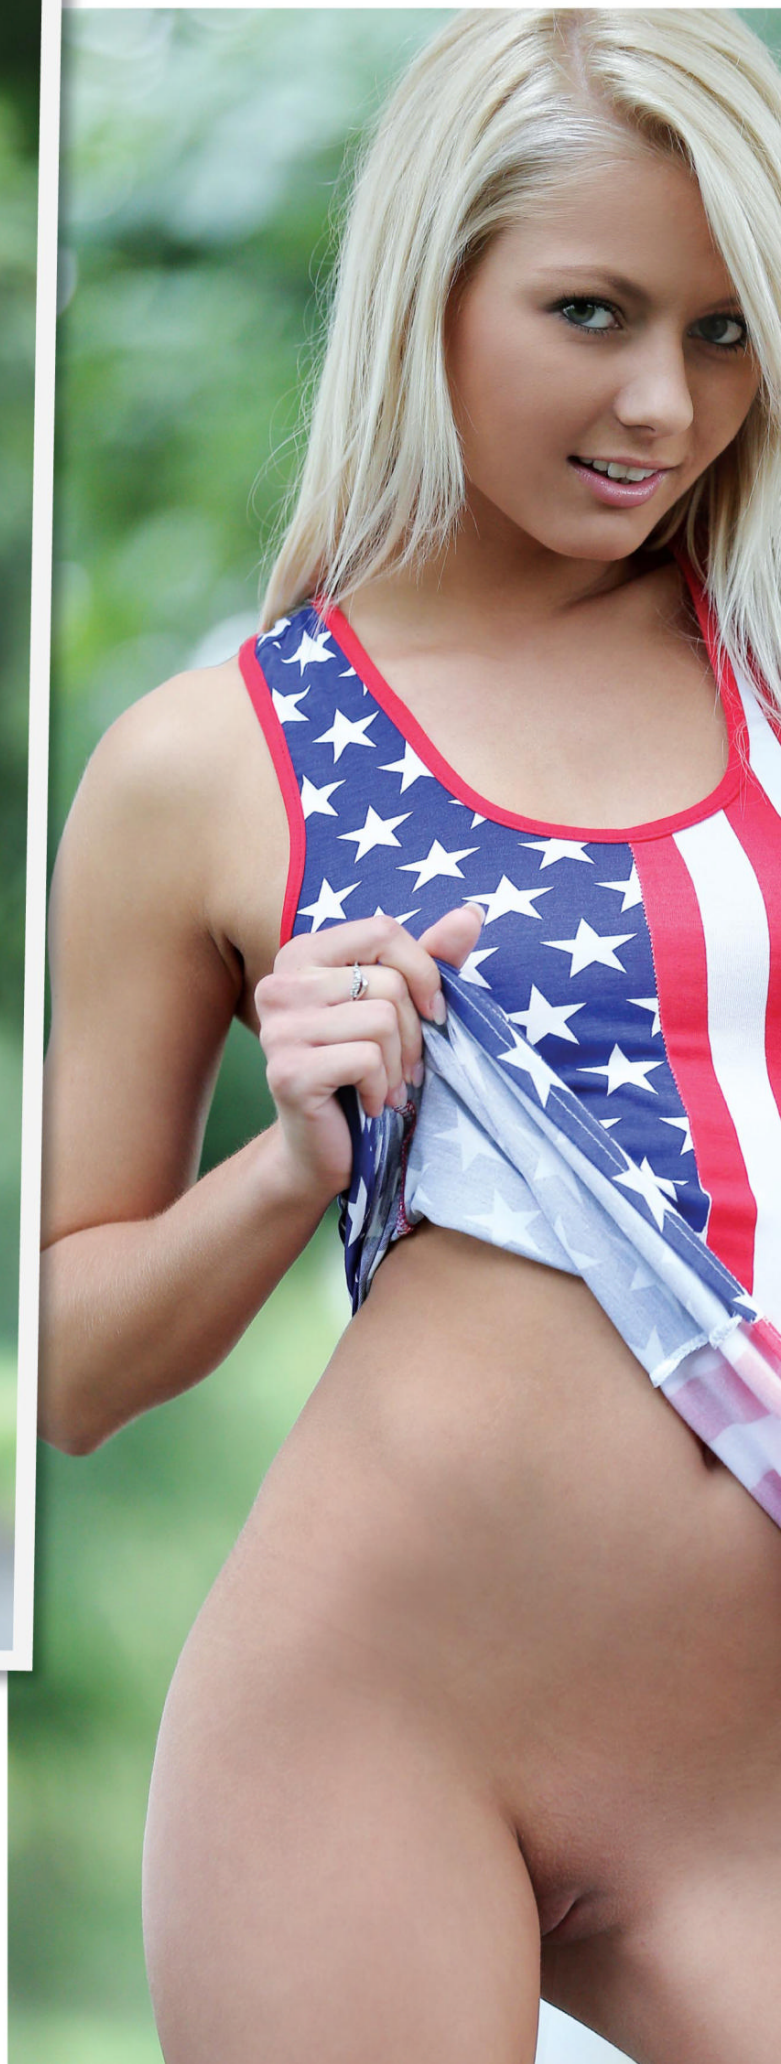
Anneli



Anelli has just returned from a holiday in New York and New England, all enthused with the place. “I’m desperate to move there,” she gushes. “The people, the places, the food, the scale of it all. It makes home seem quaint.” But what about the noise, the weather, the Tea Party Republicans, the lack of easy access to English men? “Well, I could become a citizen and vote Democrat, the weather is fine, and there are plenty of Brits there. But I want to try out some American cock first!” **JG**

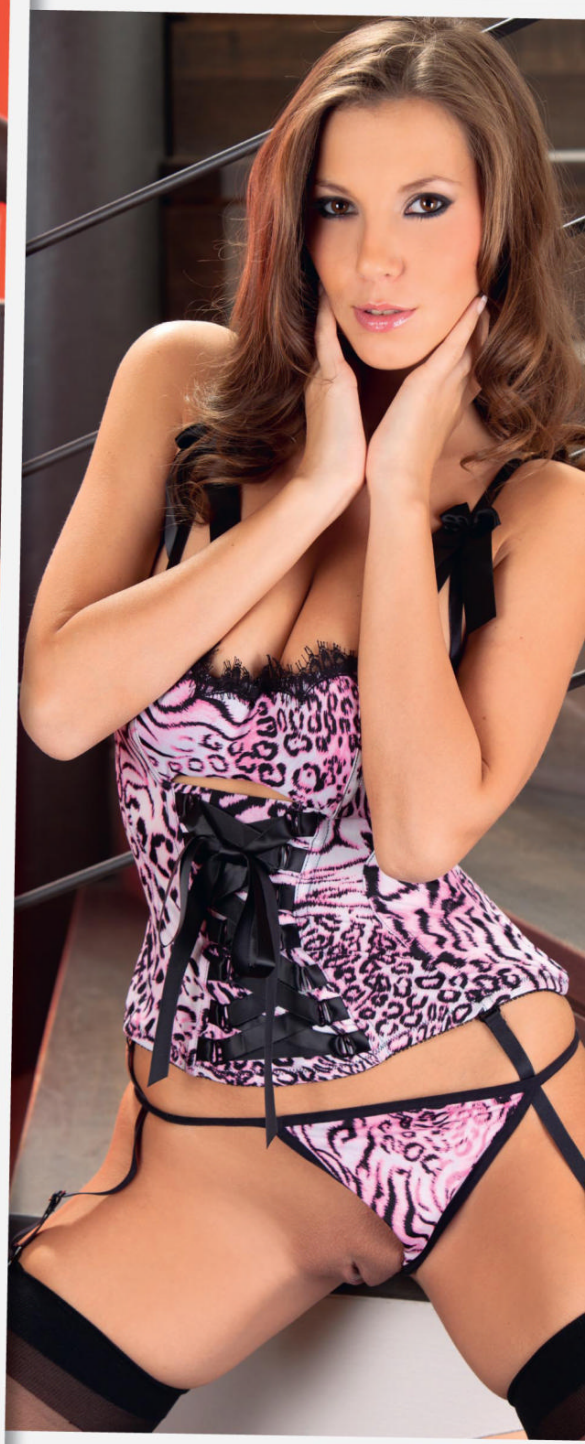
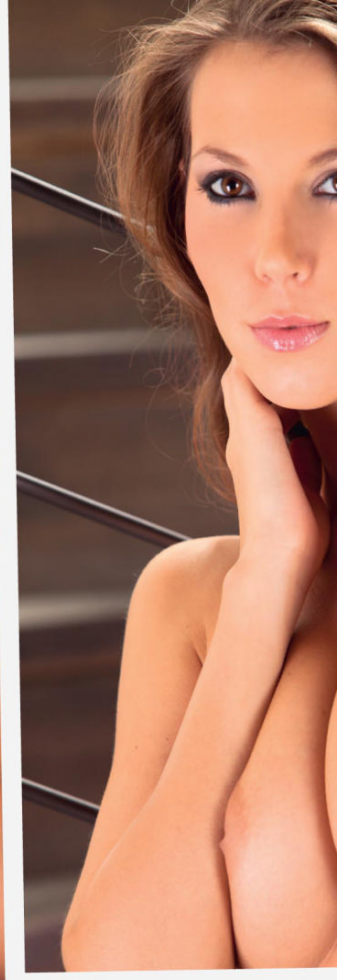
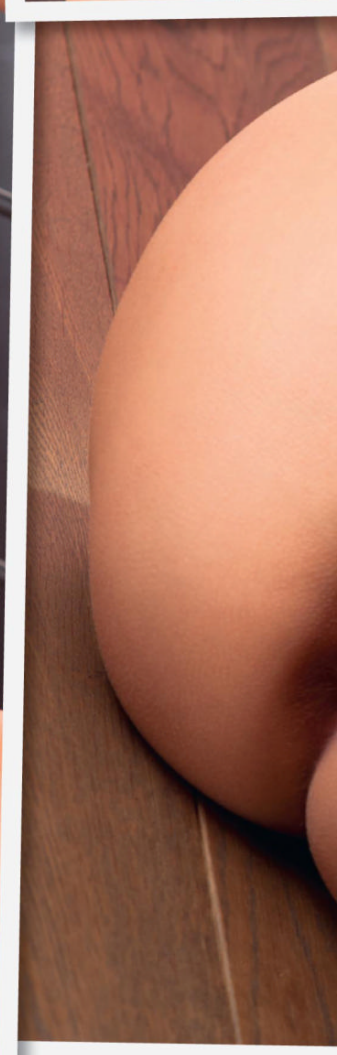
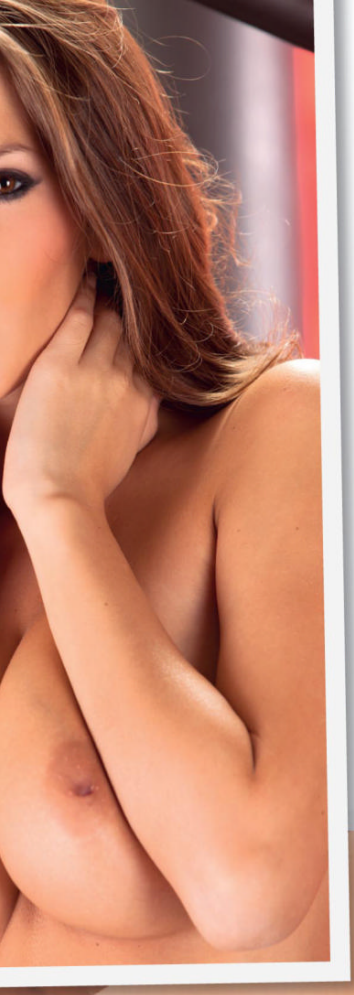
Lizzie



For a girl who gets her bits and pieces out in the nation's classiest top shelf mag, it's a little bit ironic that Lizzie's concerned about overexposure, but so it is. It's been 2 years since she last modelled for us, and it's not because we didn't want to get her back… "Well, this is really a bit of a part time hobby for me, and I'd prefer the readers to stay keen rather than see me month in month out and get fed up with me!" We don't think there's much chance of that, to be honest, but we guess it's a lady's prerogative to keep herself to herself if she wants. Still, two years is a bit much!… **JG**







Last time we had the pleasure of hooking up with brown-eyed beauty Nicole Smith she wasn't wearing specs, so we couldn't help wondering if they were just a prop to make her look a bit brainier and, well, sexier… "Not at all!" she insisted. "I was probably wearing my contact lenses last time – I usually do when I've got a modelling job on, but usually I wear glasses for my day job – they're a lot less hassle, and I've never found it puts guys off." Well why would it? Guys love girls who wear glasses – in fact as far as we can remember the Ed's never dated a girl who doesn't wear them (and they're generally pretty thick pairs, too). Hmm, but now we're intrigued about your speccy-wearing daytime job – can you tell us more? "It's in an office – I can't say more than that, really, just in case anyone suspects they might recognise me and I give away too many clues!" Fair enough. Apart from anything else, you'd have had the Ed sniffing around… **JG**

Nicole

Jeanie

A brand new issue of the magazine, so what better excuse to crack open a brand new girl at the same time, in the supercute form of Jeanie here. And hats off to the girl – she's really gone to town with her choice of frilly undies for us! "I'm glad you like it," she said when we complimented her on her outfit. "When you said bring something sexy along I wasn't quite sure what you had in mind, but an ex-boyfriend bought me this outfit a couple months ago and I thought it might be suitable for the shoot." It certainly is – but what happened to the boyfriend? Anyone who buys you such nice frillies doesn't deserve the heave-ho within two months, surely?! "Well, let's just say I wasn't the only girl he was giving lingerie to. Still, it's his loss – he never even got to see me wearing it!" Ah, well in that case we can only hope he doesn't buy this issue – the poor sod'll be kicking himself into the middle of next week! **JG**

Zoe

Zoe was a Paul Raymond regular a couple of years ago, and now, after a short hiatus from the porn scene, she's back, reassuringly still boasting a beautifully perky body and her trademark beaming smile. But what has the pert Euro stunner been up to during her time off? Not an awful lot really," she told us during the shoot lunch break. "I went on a couple of holidays, did a bit of decorating around the house, pottered around in the garden… You know, the usual boring stuff. I just needed to take a break from modelling for a while." And there's us thinking she'd be throwing wild parties and enjoying depraved orgies with her pals! "You'd have been more likely to find me lazing around on a beach or wallpapering the living room than doing anything outrageous like that," the pert little bundle of fun said with a mischievous glint in her eye. "Although there was this one time when I invited a couple of girlfriends around and we ended up getting drunk on red wine and having some fun with my collection of dildos and vibes. Actually, I think that happened more than once…" Hiatus? Busman's holiday more like! **JG**
